Certificated courses

**100% commercially
focused**

Working on live models

Flexible private education

Award winning educators

Level 2 NVQ Diploma in Hairdressing

This qualification is based on the national occupational standards for hairdressing and includes all the required elements to work effectively as a junior hairdresser/stylist. Learners must achieve all mandatory units which include:

- Advise and consult with clients
- Set and dress hair
- Style and finish hair
- Develop and maintain your effectiveness at work
- Cut hair using basic techniques
- Colour and lighten hair
- Shampoo, condition and treat the hair and scalp

Throughout this qualification, learners will develop their knowledge and understanding of relevant anatomy and physiology and health and safety. They will also develop the knowledge, understanding and skills to advise and consult with clients and then provide a complete hairdressing service which includes shampooing and conditioning, colouring, cutting, setting and dressing and styling and finishing hair. In parallel, learners will develop their communication and customer service skills, their awareness of environmental sustainability and their commercial skills; all of which are valued highly by employers. Problem solving and research skills will also be developed.

In addition to completing mandatory units, learners are required to achieve nine credits from optional units which include (this list is not exhaustive): remove hair extensions, relax hair, perm and neutralise hair, plait and twist hair, and temporarily attach hair to enhance a style.

Information

WHO THIS COURSE IS SUITABLE FOR:

Everyone with an interest in hairdressing.

COST: Price on application. (*You may be eligible for advanced learning loans or adult funding*)

GUIDED LEARNING HOURS: 468

Level 3 NVQ Diploma in Hairdressing

This qualification is based on the national occupational standards for hairdressing and includes all the required elements for you to enhance your hairdressing career. This course will develop your skills at a more advanced and technical level.

Learners must achieve all mandatory units which include:

- Creatively style and dress hair
- Creatively cut hair using a combination of techniques
- Creatively lighten and colour hair
- Provide client consultation service

Optional Unit:

- Hair colour correction service
- Provide creative hair extension service
- Create a variety of permed effects
- Cut men Hair

Throughout this qualification, learners will develop their knowledge and understanding on their advanced hairdressing skills.

Learners will enhance their creative skills in styling and dressing hair, cutting hair using creative cutting techniques as well as learning new skills to learn the art of creatively colouring hair.

In addition to completing mandatory units learners are required to achieve 21 credits from the optional units.

Information

WHO THIS COURSE IS SUITABLE FOR:

Stylists need to be qualified to NVQ Level 2.

COST: Price on application. (*You may be eligible for advanced learning loans or adult funding*)

GUIDED LEARNING HOURS: 468
